The Milton E. Mohr 2023–2024 Awards Program

Undergraduate Scholarships & Graduate Fellowships
$1,000
($500/semester)

Criteria

- Graduation date no sooner than May 2024
- Accumulative GPA of 3.5 or greater
- Fall 2023-2024 UNL full-time junior, senior, graduate student, or Certificate of Full-Time Graduate Status enrolled in as a primary major in a Biotechnology or College of Engineering Degree Program:

  Sample Biotechnology Degree Programs
  Agronomy and Horticulture  Complex Biosystems  Plant Pathology
  Animal Science  Entomology  School of Biological Sciences
  Biochemistry  Food Science and Technology  School of Natural Resources
  Chemistry  Microbiology Program  Veterinary and Biomedical Sciences
  Nutrition and Health Sciences

  Sample College of Engineering Degree Programs
  Agricultural Engineering  Civil Engineering  Electrical Engineering
  Architectural Engineering  Computer Engineering  Electronics Engineering
  Biological Systems Engineering  Construction Engineering  Mechanical Engineering
  Chemical Engineering  Construction Management

- Milton E. Mohr Scholarships and Fellowships are renewable, but you must reapply.
- Students will be selected on their academic performance and potential for accomplishments in their specific field.

The Milton E. Mohr Scholarship and Fellowship Awards Program was established in 1989 for students in the College of Engineering or Biotechnology degree programs. The scholarships and fellowships are made possible through an endowment to the University Foundation. Milton E. Mohr (1915-2000) was described in his lifetime as “…engineer, inventor, entrepreneur, corporate leader” and was instrumental in providing key leadership to young adults. In 1938 he graduated, highest in his class, from UNL with a bachelor of science degree in electrical engineering, and in 1959 UNL awarded him an honorary doctorate of engineering.
